

SafeCLEAN™ ice machine cleaner

Extends the life of ice machines and improves efficiency

Safe for staff

- Organic formulation destroys ice machine scale without noxious fumes, ruining clothing or burns
- Can be stored and handled without the concerns associated with other acid-based cleaners

Environmentally responsible

- All natural, non-toxic and biodegradable
- Contains no phosphates
- Safe to pour down drains

Convenient, easy to use

- Solid granules dissolve quickly and easily when mixed with hot water
- No measuring required; each packet makes one gallon of solution

Powerful yet equipment-friendly

- Three times the scale dissolving power of ordinary citric acid
- Not harmful to rubber, plastic or metal in Follett® ice machines when used in accordance with directions

Part# 00132001 – Carton of 24 x 7 oz packets

Part# 01075431 – Package of 24 SaniSponges™

IMS-III sanitizing concentrate

EPA registered sanitizer¹

Convenient, easy to use

- Semi-transparent container provides user-friendly measuring lines in 1.6 fl oz doses

Economical

- 1.6 fl oz IMS-III mixed with a gallon of water produces 200 ppm active quaternary solution
- One 16 fl oz bottle makes enough to sanitize ten times on most Follett ice machines and dispensers

2008 Altom Court, St. Louis, MI 63146
