NEW!

Portable and Powerful Coil Cleaning.

CoilJet CJ-200E offers more pressure, continuous water supply and 110V convenience when compared to the fully portable and rechargeable CJ-125 model. It also offers up to 220 psi for cleaning thicker, dirtier coils. It's perfect for rooftop units, evaporators, condenser coils, and refrigeration coils.

Includes: 2 standard spray nozzles, spray gun with quick disconnect, 15' power cord, and shoulder strap.

Integrated chemical tank

Standard hose connector for continuous water supply

Note: Supports all CoilJet® Accessories

Convenient strap for easy transport

On-board gun and cord storage

Up to 220 PSI spray blasts dirt and grime, but won't damage fins

SPECS:

Part Number:	CJ-200E
Output Pressure:	220 PSI at 0.5 GPM
Capacity (water):	3.375 gallons
Capacity (chemical):	1.75 quarts
Weight (dry):	20 lbs
U.S. Patent:	Pending

No Water. No Power. No Problem.

Ideal for cleaning coils in locations where water and power may be inaccessible, such as rooftops and attics. CoilJet is designed for portability by including integrated water, and chemical tanks and a long life rechargeable battery. Clean condenser and evaporator coils anywhere.

Includes: 2 standard spray nozzles, spray gun with quick disconnect, smart charger, rechargeable battery, and shoulder strap.

Optional spray wand lets you clean from the inside of coils

125 PSI spray blasts dirt and grime but won't damage fins

Integrated water and chemical tanks

Rechargeable battery lasts all day

SPECS:

Part Number:	CJ-125
Output Pressure:	125 PSI at 0.6 GPM
Capacity (water):	3.375 gallons
Capacity (chemical):	1.75 quarts
Weight (dry):	22 lbs
U.S. Patent:	Patent 9,266,152

Mini-Split Cassette Bib® Kit

NEW!

Tough Cleaning Made Easy.

Cleaning ductless ceiling cassettes is a daunting task, but we've just made it a whole lot easier. Using pressurized water and coil cleaner is the key to a good coil cleaning. Our ductless cassette bib kit installs in seconds and quickly creates a funnel where all your water and cleaner is safely deposited into a bucket. Super easy to use and incredibly effective.

- Six access points to clean coils
- Includes 10' drain line
- Optional stand available

Complete kit includes: Cassette bib, adjustable bungee cord, mounting hooks and a five gallon bucket.

Mini-Split
Cassette
Bib Stand

SPECS:

Part Number:	SC-CB
Weight (dry):	4.5 lbs
Fits ductless cassette fan units:	Up to 48" wide
U.S. Patents:	6,863,116, 9,259,769

Safely Use Pressurized Water.

The fastest way to clean ductless mini split coils, fans, and more. Safely clean virtually any mini split system 30" to 44" the correct way—using pressurized water on coils and fans. This patented technology keeps water away from walls and other surroundings while directing it into the 5 gallon bucket for disposal.

Complete kit includes: Bib, adjustable mounting brackets, 1 roll of protective tape and 5 gallon bucket.

- **Quick to set up and easy to move from job-to-job**
- **Includes 8' drain line for high mounted evaporators**

SPECS:

Part Number:	MSB-KIT
Weight (dry):	4.3 lbs
Fits ductless fan units:	Up to 44" wide
U.S. Patents:	6,863,116, 9,259,769

NEW!**Too Big? We have it covered.****For EXTRA LARGE
JOBS up to 60"!**

The Mini Split Bib® Kit XL is a fast way to clean larger commercial ductless mini split coils, blower wheels and more. The patented technology fits ductless units 45" to 60" and keeps water away from walls and other surroundings and directs it into the 5 gallon bucket for disposal, so it's clean and safe all around.

- Fits virtually any commercial brand ductless fan unit 45" to 60" wide.
- Quick to set up and easy to move from job-to-job.
- Includes 8" drain line for high mounts.
- Keeps walls and floors safe from water and over spray.

Complete kit includes:
Bib, adjustable mounting brackets, 1 roll of protective tape and 5 gallon bucket.

SPECS:

Part Number:	MSB-KIT-XL
Weight (dry):	4.5 lbs
Fits ductless fan units:	45" to 60" wide
U.S. Patents:	6,863,116, 9,259,769

High Flow Cleaning with Chemical Injection.

Make quick work of cleaning debris and grime from thick condenser and evaporator coils. Powerful 400 PSI at 2.5 gpm washes even the dirtiest coils with a continuous spray of water and cleaning chemical—without damaging sensitive fins. Professional results from a compact, portable solution.

Water hose connection for continuous cleaning

Chemical siphon tube

- **Optional 90° spray nozzle forces dirt and debris back in the direction it entered**
- **12' hose with additional lengths available**

Includes: FlowJet, 2 standard spray nozzles, 12' hose, 25' power cord with GFCI protection, spray gun, and 18" lance assembly.

SPECS:

Part Number:	FLOWJET-60
Weight:	35 lbs (net dry)
Output Pressure:	400 PSI
Output Water Flow:	2.5 GPM
Input Power:	12.5 amps, 115 V, 60 Hz AC
Motor Power:	3/4 HP

Visit www.speedclean.com for a complete list of accessories

Precision Coil Cleaning.

Blast dirt and debris from condenser coils, without damaging delicate fins, using Condenser Needle. Designed to clean from the backside of the coil, Condenser Needle reaches inside units and quickly cleans the entire coil bed.

Swivel handle easily adjusts direction of water jet

Adjustable chemical injection

3' aluminum wand

90° nozzle creates powerful cleaning spray to clean coils from the inside out

- Attaches to a standard garden hose
- 36" wand easily handles most units
- Exclusive spray tip delivers 90° spray pattern up to 3+ gallons per minute
- Adjustable chemical injection hose

SPECS:

Part Number:	CN-03
Output Pressure:	Up to 100 PSI at 3.3 GPM
Dimensions (HxWxD):	48"x3"x3"
Weight:	3 lbs
U.S. Patent:	D624,718

NEW! *HEAVY-DUTY FORMULA***CoilShot®-HD Coil Cleaner Tablets**

The revolutionary CoilShot-HD tablet is designed for use with the CoilShot system and offers fast and easy cleaning, degreasing and brightening of commercial single-pass HVAC coils.

- **Eliminates the need for bulky liquid coil cleaners.**
- **Degreases and brightens coils**
- **Powerful lift for extra-dirty condensers**
- **Double cleaning action for those tough jobs**
- **For heavy duty applications**

Refer to SDS for proper usage and safety information prior to use.

CoilShot® Coil Cleaner Tablets

The revolutionary CoilShot cleaning system is designed to offer fast and easy cleaning of residential and light commercial single-pass HVAC coils without the strain and bulkiness of using liquid coil cleaners.

- **Each tablet is equal to approximately 1/2 gallon of coil cleaner***
- **Eliminates the need for bulky liquid coil cleaners**
- **Safe for all coils**
- **Plant friendly, non acidic and non-caustic**

*Original formula only.

NEW!

Small Size. Big Results.

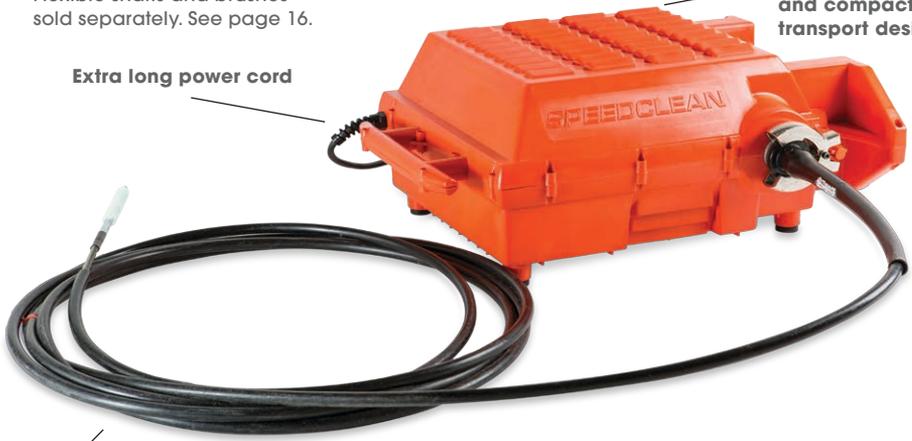

Designed for the ultimate experience in portability, this compact tube cleaner includes all the innovative features you expect and the benefits you demand from a SpeedClean product. Integrated water flush, 860 RPM reversible shaft rotation, quick connect shaft and brushes and all at half the size of other traditional tube cleaners. That's big news.

Flexible shafts and brushes sold separately. See page 16.

Sturdy casing and compact, easy transport design

Extra long power cord

Nylon covered shaft with powerful water flush

- Foot pedal compartment for easy storage
- Built-in electric cord holder
- Quick connect shaft to manifold and shaft to brush
- .5 HP Motor
- Available in 115v 50/60Hz or 230v 50/60Hz
- Portable, compact design
- Rugged/Durable outer shell

SPECS:

Part Number:	SC-TC-60
Flexible Shaft Speed:	860 rpm
Weight:	38 lbs

Quick and Easy Water Heater Maintenance.

Eliminate limescale and other deposits from water passages in just minutes. The BucketDescaler features a durable acid-proof pump and fittings, extra-long hoses, and optional re-circulation valve kit. Perfect for tankless and tanked water heaters and other small heat exchangers.

- 6' inlet and outlet hoses
- Purge valve to reduce cleanup time

SPECS:

Part Number:	SC-DS-5
Cord Length:	12'
Flow:	3.3 GPM
Capacity:	4 gallons
Hose Size:	6' (two)
Weight:	7 lbs
U.S. Patent:	9,381,549

CARRY A CASE OF COIL CLEANER IN YOUR POCKET?

Lugging around gallon jugs of liquid coil cleaner is a fact of life when cleaning coils, right?

It was...yesterday. But now, the CoilShot® condenser coil cleaner, with its small dissolving tablets, has replaced those bulky jugs. No more heavy lifting. No more clutter and mess in the back of your van.

Load a tablet into the CoilShot® unit, turn on the water and produce a powerful foaming coil cleaner that's non-toxic and plant-friendly. Use one or two tablets per job—no mess, no leftover, and no customer complaints to deal with.

Smaller, lighter and safer, CoilShot® is your best shot. Fire away.
